A BILL FOR

An Act to amend section one point four (1.4), Code 1950,  
relating to federal acquisition of real estate  
within the state of Iowa.

*Be It Enacted by the General Assembly of the State of Iowa:*

1     Section 1. Section one point four (1.4), Code 1950,  
2     is hereby amended by striking from line six (6) the period  
3     “.” after the word “state” and inserting in lieu thereof a  
4     comma “,” and the following: “provided, however, that the  
5     United States of America may exercise exclusive jurisdiction  
6     as to naval, military, or veteran’s administration installations  
7     within this state.”; add to line thirteen (13) after the word  
8     and comma (,) “purposes,” the following: “or as reservations  
9     for veteran’s administration installations,”.

EXPLANATION OF S. F. 386

This Act brings Iowa more in line with the other states with reference to United States government installations. The United States government prefers to police its own reservations and at its own expense at the same time these provisions interfere in no way with the state’s service of process or apprehension of criminals.
